

System Requirements

Our site is best viewed using Internet Explorer 5 or higher or Netscape Navigator 6 or higher. However, we recommend using the most current version of either browser in order to benefit from newer security enhancements.

Our content is accessible to older versions of browsers, however, they may not support basic Web standards, preventing the display of our site's design details.
We recommend a 56Kbps or faster connection to the internet, although our services are accessible at slower connection speeds.

We use Javascript, multiple frames, and Secure Socket Layering encryption.

Portions of the site may require you to use Adobe Acrobat Reader® software, which you can [download free](#) from Adobe's web site.

Attention Mac users:

If you are having trouble accessing the site with Internet Explorer, please note that Microsoft no longer supports IE for Mac and recommends upgrading to a more recent browser, such as [Safari](#) or [Firefox](#).
